

KeyCredit Install for Office 2010/2013

Run the KeyCredit installer – click OK through error messages regarding Office 2007 (complete the installation)

Navigate to C:\Users\Username\AppData\Roaming\MoreThanData\KeyCredit (you may have to type this in if AppData folder is not visible)

Locate KeyCredit Programs.mde file – right-click and choose Send To > Desktop

Change Desktop Icon:

- Rename to MTD KeyCredit
right-click icon, select Properties > Change Icon. Click Browse, navigate to C:\Program Files (x86)\MoreThanData\KeyCredit\KeyCredit.ico (if you don't have an (x86) folder, just look in Program Files)

Create Report Header:

Open C:\Program Files\MoreThanDataPF
right-click/Copy Icons folder

Return to C:\Program Files – create New folder named MoreThanData (no PF)
right-click/Paste Icons folder in C:\Program Files\MoreThanData
